Contest

Prior to Contest: Please arrive at the grooming stage 15 minutes before your contest check-in time. Once the contest ring is open, you may enter the ring and find your table and set-up your equipment. Each table will have a colored tag with your name, contestant number, contest name and the breed of your dog. Each division will have a different colored tag.

Assistants: You may bring an assistant to the show to help you with your dog and equipment, but they must exit the contest ring as soon as the contest starts and may not enter until the contest awards have been completed. All assistants must be registered to attend Atlanta Pet Fair and Conference. If they are not registered, they will not be let in.

Dogs that are being utilized for competitions are to be kept in one of the holding areas, near the stage (available during show hours), or in the Dog Holding Trailer (available 24 hours). No soft sided crates are allowed. You will be responsible for exercising, feeding, watering, cleaning-up after your dog.

Competitors should only use non-toxic materials on their dogs. No hair color or accessories (except Mixed Salon) are allowed, except if you are competing in the Creative Styling Contest. You can request a list of safe non-toxic products at janelle@wpamail.org

Items provided for you: We will provide a grooming table, grooming arm, chair and electrical for you in the contest ring.

You must supply your own grooming loop, grooming equipment (clippers, scissors, combs, etc.) you feel you may need during while grooming your dog.

Beverages must be in spill proof containers.

Attire: Dress in the ring should be professional for both men and women. Shoes (preferably with non-skid soles) must be worn. "Flip flops" and other open-toed shoes are considered to be unsafe ring attire and will not be allowed. A grooming smock is required to be worn during competition. Consider the dog's color when choosing your attire. For example, black dogs do not show up well in photos if the competitor is wearing black or any other dark color.

Best First-Time Competitor Awards will be held on Saturday, March 9 at 4:00pm at the Grooming Stage.

Best In Show awards ceremony dress code is "dressy/classy." Grooming attire or jeans/T-shirts will not be allowed. This dress code also applies to competitors' assistants. A show staff member will be appointed to represent the entry of any competitor who is inappropriately dressed for the Best In Show awards ceremony.
